

# DRAPER NEIGHBORHOOD WATCH NEWSLETTER

MARCH 2021

## Knock. Knock.... Who's there? Solicitor or Danger?

Ever wonder if the person who knocked at your door wanting to sell you products or services is legitimate? Here is a red flag, if the person is looking in your windows, checking side and back doors, there is a high likelihood the person is not a salesperson. No legitimate salesperson is going to check all the doors of your house to ascertain if anyone is home. That person is probably a burglar looking for an open door or window to gain access into your house. Please call 911.

Indicators the person is abiding by the Draper City Municipal Code, which allows for this type of business activity, the salespeople, or 'solicitor' must follow city requirements: Draper City Business Licensed Solicitors will wear a Draper City-issued badge. You may ask the solicitor to produce the City-issued badge. *See sample below.*

Invited, non-commercial, state regulated charitable, or de minimis (less than \$50) solicitation does not require a badge. Soliciting at residences is allowed between the hours of 8 a.m. and 9 p.m. on business days, and between 9 a.m. and 9 p.m. on Saturdays, Sundays, or legal holidays.

Any resident may give notice of his or her **unwillingness** to listen to solicitations or receive solicitors by displaying at his or her residence a placard or sign no smaller than 16 square inches stating "No Soliciting", "No Solicitors", "No Trespassing" or words of similar import. Such placard or sign shall be posted on or near the main entrance door or on or near the property line adjacent to the sidewalk leading to the residence.

## Have you heard of warm-up thefts?

During the cold winter months, drivers may be tempted to warm up their cars while they stay warm inside.

Think twice before leaving your car running unattended. Car thieves are on the lookout for these vehicles warming up in driveways.
